# Cleanroom Mops

## Description

The TechClean Mop is the perfect cleaning tool for any surface. This stainless-steel flat mop is great for cleaning ceilings, floors, walls, and hard-to-reach areas.

TechClean mops were developed for wipers of different sizes, 23x23cm (9"x9"), 31x31cm (12"x12") and 20x61cm (8"x24"). Changing the wiper is simple and fast. Additionally, it can also be used with 2-in-1 Integrated Sustainable Covers for added convenience.

Not only is it easy to use, but it is also incredibly efficient, allowing you to clean in less time. This makes the TechWipe the perfect tool for both residential and commercial applications.

## Applications

• Cleaning ceilings, floors, walls, isolators, hoods, and other confined areas;
• Applying and removing solutions and disinfectants.

## Features & Benefits

• Low profile, swivel head with lightweight handles enables easier surface cleaning;
• The adapter allows for frequent wiper replacement for adherence to strict cleaning protocols;
• Stainless steel with an ergonomic, stable design;
• Replacement pads and fasteners available;
• **Autoclave safe**.

## Sterile Products

• Double- or triple-bagged with a case liner forming an additional layer of protection.
• Gamma irradiated to a Sterility Assurance Level of 10-6 according to AAMI Guidelines.
• Sterile Validation Documentation available upon request.

## Cleanroom Environment

• ISO Class 3 – 8
• Class 1 – 100,000
• EU Grade A – D

## Industries Applications

• Aerospace
• Animal Laboratory
• Biologics
• Cleanroom Design/Build
• Compounding Pharmacies
• Data Storage
• Facilities Maintenance
• Industrial
• Laboratory
• Medical Device
• Microelectronics
• Pharmaceutical
• Printing/Graphics
• Semiconductor
